

## Testimonials:

"Beams & Timber supply all our bollards. The quality is great, the pricing competitive and they go out of their way to supply, often within tight deadlines.

It's very convenient to get the bollards, lockable sleeves, mowing collars, chain and fixings etc at one place"

**Nick- Auckland Council preferred contractor**

I have been sourcing product from Beams & Timber for a number of years. I have always found them to be polite, helpful and extremely knowledgeable when it comes to "all things bollard". They have a moral conscience to supply product which is fit for purpose and gives the council good value for their money. I would have no hesitation in recommending them"

**Bill – Civil contractor Wellington**

Memorial Park, Kaitaia
